PASTOR'S CORNER / RINCÓN DEL PASTOR

The Mission of Christ

"Support the parish you love."

Dear Friends,

You may have noticed that our numbers at Mass have increased. Our Sunday collection has also increased. More good news is that our Pastoral Services Appeal (PSA) goal has been met. Every year, every parish is assessed for a certain amount of money that will be used for the benefit of ministries and programs that might otherwise not survive. The parish goal is based on parish financials. Our parish goal this year was set at $74,000. As of this Sunday, we have met our goal!

In 2025, the diocese's 71 parishes and centers raised $11.9M dollars for services and programs which included support for our retired diocesan priests, Catholic Charities that assist poor individuals and families, for young men studying to be priests, the Catholic deaf community, youth and young adult programs, to name a few.

The PSA also has a direct local impact. When a parish raises more than its assigned PSA goal, 100% of the amount raised above that goal is returned to the parish for use at the discretion of its pastor or parish leadership. These funds can support building renovations, security improvements, programs, and other parish needs. The diocese also states that PSA funds are not used for legal expenses or settlements. Donor intent is sacred.

100% of every dollar raised above the parish goal is returned back to the parish. In our parish family we have 1,173 individuals and families registered to the parish. 173 families and individuals participated in this year's PSA.

While our goal has been met, it has been met by a small number of parishioners. Their generosity should not carry the mission of Christ for the diocese and our parish. Be a partner and support the parish you love. Members can still participate until December of this year. While the goal has been met, we should all pitch in to help, no matter how small the amount.

Fr. Al

Queridos Amigos,

Quizá hayas notado que nuestro número de asistentes a misa ha aumentado. Nuestra colecta dominical también ha aumentado. Otra buena noticia es que nuestra meta de Apelación de Servicios Pastorales (PSA) se ha cumplido. Cada año, cada parroquia recibe una cierta cantidad de dinero que se usará para el beneficio de ministerios y programas que de otro modo no podrían sobrevivir. La meta parroquial se basa en las finanzas parroquiales. Nuestra meta parroquial este año se estableció en $74,000. ¡Ha partir de este domingo, hemos cumplido nuestra meta!

En 2025, las 71 parroquias y centros de la diócesis recaudaron $11.9 millones de dólares para servicios y programas que incluyeron apoyo a nuestros sacerdotes diocesanos retirados, Caridades Católicas que ayudan a personas y familias pobres, a jóvenes que estudian para ser sacerdotes, la comunidad católica sorda, programas para jóvenes y jóvenes adultos, por nombrar algunos.

La PSA también tiene un impacto local directo. Cuando una parroquia recauda más de la meta asignada de PSA, el 100% de la cantidad recaudada por encima de esa meta se devuelve a la parroquia para su uso a discreción de su párroco o el liderazgo parroquial. Estos fondos pueden apoyar renovaciones de edificios, mejoras de seguridad, programas y otras necesidades parroquiales. La diócesis también establece que los fondos de PSA no se usan para gastos legales ni acuerdos. La intención del donante es sagrada.

El 100% de cada dólar recaudado por encima de la meta parroquial se devuelve a la parroquia. En nuestra familia parroquial tenemos 1,173 personas y familias registradas en la parroquia. 173 familias e individuos participaron en el PSA de este año.

Aunque nuestra meta se ha alcanzado, ha sido cumplida por un pequeño número de feligreses. Su generosidad no debería llevar la misión de Cristo para la diócesis y nuestra parroquia. Sé un socio y apoya a la parroquia que amas. Los miembros aún pueden participar hasta diciembre de este año. Aunque la meta ya se ha alcanzado, todos deberíamos colaborar para ayudar, sin importar qué tan pequeña sea la cantidad.

Padre Alfredo
