PASTOR'S CORNER / RINCÓN DEL PASTOR

Our Parish

"Let us hear the Word of God."

Dear Friends,

Little by little our parish is building up and witnessing growth in members and in our Sunday collection. There are a number of projects that we need to tackle. Among the more important projects is redoing the parish hall floor, kitchen, and bathrooms, replacing the air conditioning in the church, and fixing the sound system.

We have received an exceptionally large donation for a new sound system in the church. The gentleman who will be overseeing this project is Mr. Troy Choi. Mr. Choi has an impressive resume which includes working as the Audio Design and Operations Chief for the OC Fair in 2015, 2018 and 2019, Audio Engineer for the Coachella Valley Music and Arts Festival, the Wicked VIP event with NBCUniversal, and Audio Engineer for the Staples Center in LA.

Mr. Choi with his family, is also a member of St Thomas Korean Center in Anaheim. He came recommended to us from the pastor, Fr Tony Park who was extremely pleased with how his project turned out.

The present sound system at St. Philip does not cover the entire church and we have several "dead spots." We were given three options and chose the first option as the best. The other options, while costing less, gave us less coverage. The full cost will be $168,382.09. It will cover the entire church with minimum visual obstacles from speakers. While this generous family is carrying a larger part of the cost of the new system, I am asking you to give toward the project. The total amount for redoing the sound system should not sit on the shoulders of one family.

With a new system, the echo will be controlled allowing the Word of God, the preaching, and the Mass prayers to be heard clearly. I will not have a second collection. I trust that you will see the importance of this project and give as you did for the tabernacle.

A small update on the tabernacle. We will soon have a beautiful pedestal made to hold it. Because of you, wonderful things are happening at St Philip's!

Fr. Al

Queridos Amigos,

Poco a poco, nuestra parroquia está creciendo y siendo testigo de crecimiento en miembros y en nuestra colección dominical. Hay varios proyectos que debemos abordar. Entre los proyectos más importantes están la renovación del piso del salón parroquial, la cocina y los baños, reemplazar el aire acondicionado de la iglesia y arreglar el sistema de sonido.

Hemos recibido una donación excepcionalmente grande para un nuevo sistema de sonido en la iglesia. El caballero que supervisará este proyecto es el Sr. Troy Choi. El Sr. Choi tiene un currículum impresionante que incluye haber trabajado como Jefe de Diseño y Operaciones de Audio para la Feria OC en 2015, 2018 y 2019, Ingeniero de Audio para el Festival de Música y Artes del Valle de Coachella, el evento VIP Wicked con NBCUniversal, e Ingeniero de Audio para el Staples Center en Los Ángeles.

El Sr. Choi, junto con su familia, también es miembro del Centro Coreano St Thomas en Anaheim. Nos lo recomendó el párroco, el P. Tony Park, quien quedó sumamente satisfecho con el resultado de su proyecto.

El sistema de sonido actual en St. Philip no cubre toda la iglesia y tenemos varios "puntos muertos". Nos dieron tres opciones y elegimos la primera como la mejor. Las otras opciones, aunque costaban menos, nos daban menos cobertura. El costo total será de $168,382.09. Cubrirá toda la iglesia con los mínimos obstáculos visuales de las bocinas. Aunque esta generosa familia está cargando con una mayor parte del costo del nuevo sistema, les pido que contribuyan al proyecto. El monto total para rehacer el sistema de sonido no debe recaer sobre los hombros de una sola familia.

Con un nuevo sistema, el eco será controlado, permitiendo que la Palabra de Dios, la predicación y las oraciones de la Misa se escuchen claramente. No tendré una segunda colecta. Confío en que verán la importancia de este proyecto y donarán como lo hicieron por el tabernáculo.

Una pequeña actualización sobre el tabernáculo. Pronto tendremos un hermoso pedestal para sostenerlo. ¡Gracias a ustedes, están pasando cosas maravillosas en San Felipe!

Padre Alfredo

First Holy Communion Rite of Enrollment Mass

The Rite of Enrollment is for those children and their parents who are entering the second-year preparation period for First Reconciliation and First Holy Communion. This Rite of Enrollment ceremony marks the beginning of a "journey of faith" for children and their parents who are starting the sacramental formation process. It is also a sign to the larger community that all of us have a role in the formation of everyone in the parish.
Likewise, it shows children and their families that they are part of the larger faith community. The members of the parish community provide prayer and support which is needed for the children, their families, and their catechists throughout the formation period. Through the commitment card, the communion candidates ask their families, teachers, catechists, classmates and the parish community to help them prepare to receive the Sacraments.

Rito de Inscripción de la Primera Comunión

El Rito de Inscripción es para aquellos niños y sus padres que están en el segundo año de preparación para la Primera Reconciliación y la Primera Comunión. Esta ceremonia del Rito de Inscripción marca el comienzo de un "camino de fe" para los niños y sus padres que están iniciando el proceso de formación sacramental. También es una señal para la comunidad en general de que todos tenemos un papel en la formación de todos en la parroquia. Asimismo, muestra a los niños y sus familias que son parte de la comunidad de fe más grande. Los miembros de la comunidad parroquial brindan oración y apoyo que es necesario para los niños, sus familias y sus catequistas durante todo el período de formación.
A través de la tarjeta de compromiso, los candidatos a la comunión piden a sus familias, maestros, catequistas, compañeros de clase y la comunidad parroquial que los ayuden a prepararse para recibir los sacramentos.
