17TH SUNDAY IN ORDINARY TIME

"There is a boy here who has five barley loaves and two fish; but what good are these for so many?" Then Jesus took the loaves, gave thanks, and distributed them to those who were reclining, and also as much of the fish as they wanted. - Jn 6:9, 11

"Aquí hay un muchacho que trae cinco panes de cebada y dos pescados. Pero, ¿qué es eso para tanta gente?" Enseguida tomó Jesús los panes, y después de dar gracias a Dios, se los fue repartiendo a los que se habían sentado a comer. Igualmente les fue dando de los pescados todo lo que quisieron. - Jn 6, 9, 11

PASTORS PONDERINGS

Dear Parishioners

This Sunday we recall one of Jesus' most famous miracles – the multiplication of loaves. That miracle will lead us to a several week reflection on Jesus' Bread of Life Discourse present in John's Gospel.

However, this Sunday, we focus on the miracle of the loaves.

As miracles go, arguably it wasn't a particularly big deal. There had been a glitch in the planning. A surprising number of people had come out to see Jesus, they stayed perhaps for longer than had been expected, and there arose a concern: "How are we going to feed all these people?"

Jesus "solves the problem," by multiplying the disciples' two fish and five loaves to feed the five thousand people present.

To hungry, struggling people this "free lunch" became a big deal.

So we're going to be reflecting on Jesus' explanation of the significance of the miracle over the next three Sundays.

However, for now, let us take the "Good News" of the miracle on its most basic, practical level: God provides.

There are any number of things, big and small, that can worry us. At the most basic level Jesus asks us to not be overly concerned, that all things will turn out well.

That may be hard for a cancer patient to hear, especially one with a family depending on him or her.

As I've written several times now, there's a real chance that our country's democratic system will fall in the next several months or years, and this country's 250th birthday is just a few years away!

These are not negligible concerns, and yet Jesus asks us, even demands of us, to believe that all will turn out well, that even painful challenges have their purposes and certainly can be, will be redeemed.

This Sunday we heard that Jesus saved his Apostles from potential embarrassment. But Jesus can do far more.

-- Fr Dennis

**PENSAMIENTOS DE NUESTRO PARROCO**

Queridos Feligreses

Este domingo recordamos uno de los milagros más famosos de Jesús: la multiplicación de los panes. Ese milagro nos llevará a una reflexión de varias semanas sobre el Discurso del Pan de Vida de Jesús presente en el Evangelio de Juan.

Sin embargo, este domingo nos centramos en el milagro de los panes.

En respecto de los milagros, se podría decir que este no tocó grandes cosas. Hubo un error en la planificación. Más personas que fue previsto llegaron a escuchar a Jesús, se quedaron quizás por más tiempo que fue previsto y surgió una preocupación: "¿Cómo vamos a alimentar a toda esta gente?"

Jesús "resuelve el problema", multiplicando los dos peces y los cinco panes de los discípulos para alimentar a las cinco mil personas presentes.

Para las personas hambrientas y en apuros, este "cena gratuita" se convirtió en un gran problema.

Vamos a reflexionar sobre la explicación de Jesús sobre el significado del milagro durante los próximos tres Domingos.

Pero por ahora, tomemos la "Buena Nueva" del milagro en su nivel más básico y práctico: Dios provee.

Hay muchas cosas, grandes y pequeñas, que pueden preocuparnos. En el nivel más básico, Jesús nos pide que no nos preocupemos demasiado, que todo saldrá bien.

Esto puede ser difícil para un paciente con cáncer escuchar, especialmente si su familia depende de él o ella.

Y como he escrito varias veces, hay una posibilidad verdadera de que el sistema democrático de nuestro país caiga en los próximos meses o años, ¡y faltan solo unos años para que este país cumpla 250 años!

Estas no son preocupaciones despreciables, pero Jesús nos pide, nos exige, que creamos que todo saldrá bien, que aun desafíos dolorosos tienen sus propósitos y pueden ser redimidos.

Este Domingo escuchamos que Jesús salvó a sus Apóstoles de una posible vergüenza. Pero Jesús puede hacer mucho más que esto.
