32ND SUNDAY IN ORDINARY TIME

A poor widow also came and put in two small coins worth a few cents. Calling his disciples to himself, he said to them, "Amen, I say to you, this poor widow put in more than all the other contributors to the treasury." - Mk 12:42-43

En esto, se acercó una viuda pobre y echó dos moneditas de muy poco valor. Llamando entonces a sus discípulos, Jesús les dijo: "Yo les aseguro que esa pobre viuda ha echado en la alcancía más que todos". - Mc 12, 42-43

PASTORS PONDERINGS

Dear Parishioners,

For the last several months, the Sunday Gospel Readings have repeatedly reminded us of God's concern of the weakest among us.

During this time, we have heard Jesus repeatedly place children in front of his disciples, telling them that they are the Greatest in the Kingdom of God. We were reminded that a blind man Bartimeus actually saw better than the others around him regarding who Jesus was and what Jesus could do for him. And today we are asked to contemplate the little donation of the old woman to the temple, reminding us that the size in itself does not matter, but rather its intent.

Now please do understand that Jesus wasn't telling us to reduce our donations to the Church to model that of the old widow. Rather we are to see in her donation her intention to give what she could, and we are asked to do the same:

The Old Testament famously asks followers to tithe, give 10% of their income to the Temple.

Generally speaking, Catholics almost never tithe. As a result, we organize all kinds of other fundraisers, like the Dinner Dance that we held this weekend.

Still, the Diocese asks parish families to give at least 1 hour (assuming 40 hours of work, 2.5%) of their weekly household income to the parish. Then in the annual PSA, it asks that we offer 1% of our annual income to support the Diocese. That's 3.5% of our income, 1/3 of the biblical tithe.

It always seems like a challenge. But honestly look at your bills, the "add ons" to the various services that your family normally pays for, for its internet, cable, or cell services. Then whatever one gives to the church doesn't seem that much.

Finally, since I was a Chemist before entering into the priesthood, I ask professionals to contribute in prayerful proportion to what you earn. Every nurse, doctor, accountant, contractor or engineer should be giving not \$20 or \$40 dollars a week to the church, but approaching \$100, \$150, \$200 a week to the church. Please prayerfully do the math: Take your weekly income, then divide by 10, then divide it by four. That's what should be offered to the parish.

Thank you and God bless you all!

-- Fr Dennis

**PENSAMIENTOS DE NUESTRO PARROCO**

Queridos Feligreses:

Durante los últimos meses, las lecturas del Evangelio Dominical nos han recordado repetidamente la preocupación de Dios por los más débiles entre nosotros.

Durante este tiempo, hemos escuchado a Jesús colocar repetidamente a los niños frente a sus discípulos, diciéndoles que ellos son los más grandes en el Reino de Dios. Recordamos que un hombre ciego, Bartimeo, en realidad veía mejor, que los demás a su alrededor en cuanto a quién era Jesús y lo que Jesús podía hacer por él. Y hoy, se nos pide que contemplemos la pequeña donación de la anciana al templo, recordándonos que el tamaño en sí no importa, sino más bien su intención.

Ahora, por favor, comprendan que Jesús no nos estaba diciendo que redujéramos nuestras donaciones a la Iglesia para imitar a la viuda anciana. Más bien, debemos ver en su donación su intención de dar lo que pudiera, y se nos pide que hagamos lo mismo:

El Antiguo Testamento pide a los seguidores que diezmen, que den el 10% de sus ingresos al Templo.

En términos generales, los Católicos casi nunca diezman. Como resultado, organizamos todo tipo de otras recaudaciones de fondos, como la cena con baile que realizamos este fin de semana.

Aún así, la Diócesis pide a las familias de la parroquia que donen al menos 1 hora (suponiendo 40 horas de trabajo, 2,5%) de sus ingresos familiares semanales a la parroquia. Luego, en el anuncio anual de servicio público, nos pide que ofrezcamos el 1% de nuestros ingresos anuales para apoyar a la Diócesis. Eso es el 3,5% de nuestros ingresos, 1/3 del diezmo bíblico.

Siempre parece un desafío. Pero honestamente, mire sus facturas, los "complementos" a los diversos servicios que su familia normalmente paga, por su Internet, cable o servicios celulares. Entonces, lo que uno da a la iglesia no parece ser mucho.

Finalmente, como yo también fui Químico antes de ingresar al sacerdocio, pido a los profesionales que contribuyan honestamente en proporción a lo que ganan. Cada enfermera, médico, contador, contratista o ingeniero no debería dar \$20 o \$40 dólares por semana a la iglesia, sino cerca de \$100, \$150, \$200 por semana a la iglesia. Por favor, hagan los cálculos con actitud de oración: tomen sus ingresos semanales, divídanlos por 10, luego divídanlos por cuatro. Eso es lo que debería estar ofrecido a la parroquia.

¡Gracias y que Dios los bendiga a todos!
